1980 . . . beginning a new decade, turning a new leaf in the story of Washington High School.

We live for the day, we look to the future and we build . . . better relationships, a better school and a better future.

1980 . . . a new decade, a new leaf . . .

Yet some things are always a part of school: progress reports, conversations with friends, milk and a cookie for dessert or hurrying to class.

Bettering our neighborhood and community also makes our school alive in 1980. The Lettermen and friends spent a Saturday painting the walls and garage doors across the street to help our environment.

Peer Counselors

Peer Counseling is a new program at Washington High School this Year. Peer Counseling has as its goal the involvement of all students in programs to help themselves, their school and their community.

Peer counseling is at the heart of a process which seeks to encourage student participation in the various activities of academic education in living, learning and sharing.

Peer Counselors: Homeroom Leaders who work to communicate with and to recruit other students into involvement with the school and community.

Peer Tutors: Students who help other students to learn.

Peer Community Service Worker: Students who work to improve their community.

Peer Painters: Students who volunteer to work on murals and other school painting projects.

Peer Readers: Students who read the bulletin and other announcements in Homeroom.

Peer Relators: Students who seek to promote racial, ethnic, and, or cultural awareness and understanding among students.

Peer Exchangers: Students who promote Understanding by visiting other school and hosting students from other school.

Peer Career Advisors: Students who bring information about careers and jobs into their Homerooms.

Peer Education Advisors: Students who bring information about present and future educational opportunities into Homeroom.

Peer W.L.C.C. Reps: Representatives from each Homeroom who form the Washington Leadership communication committee and work as liasons to students council.

Peer School Developers: Students who work together with Administration and Parents and community to find solutions for school problems.

Peer Secretaries: Students who assist the Homeroom Teachers with record keeping.

Peer counseling is a program for positive student involvement and change.

Martin Luther King Symposium

Held on Dr. King's birthday, January 15th, the Symposium gathered students from Chatsworth, Van Nuys, Kennedy, University and Roosevelt High Schools to discuss aspects of the moral life Dr. King brought to the attention of Americans. After a get-acquainted activity, the Generals, represented by Peer-Counselors, Student Leaders, Cheerleaders and Lettermen, took their guests to Homeroom, the Assembly and to visit Fourth Period classes. The Symposium was held after lunch. Rira Walters and John Greenwood of the Los Angeles Unified School District's Board of Education, Dr. Ernest Smith of Martin Luther King Hospital and Shirleen Bolin, with the Area 3 Integration Team, interacted with the students in small group discussions. A report from each small group was presented at the concluding large group discussion.

And The Assembly

The Reverend Dr. Martin Luther King, Jr. Assembly was directed by Richard Harris, Vocal Music, Michael Levin, Drama, with the assistance of Ronald Turner, Instrumental Music. In the double Assembly, all the students of Washington High School, as well as, visiting guests, were inspired by the soul catching music, the words of Langston Hughes and the image of hope that Dr. King inspires.

Interaction With Van Nuys High School

Van Nuys High School was one of the high schools which participated in Washington High School's Martin Luther King's Birthday student interaction program, sponsored by the Los Angeles Unified School District. The Van Nuys High School participants invited Washington High School interaction students and performers to come to Van Nuys and join them in an Assembly for Black History Month and share their classes and activities.

The Black Community And The News Media

Washington High School's Instructional program is innovative and varied. One of the many aspects of this thrust was a program for Social Studies students held February 27, 1980. Under the sponsorship of the "Youth and Administration of Justice" class and the Constitutional Rights Foundation's "Youth Committee", over 400 students from Washington High School and Jordan High School were able to query representatives of the news media.

The inrent audience

Sebastian Watson, Youth and Justice class Moderator with Mr. Ken Jones, K.N.X.T. News

Students Ask Questions

The questions directed to the representatives of the news media were very pertinent to the community: What image does the news media give of the Black community-and, is that image accurate? How are Black media personnel selected? What is the editorial policy of the news media on issues affecting the Black community on civil rights, affirmative action or foreign policy? The program was sponsored by Allan Kakassy, Washington High School instructor and Katie Poepping, Youth Projects Coordinator of the Constitutional Rights Foundation.

STAFF

It is with great pleasure and distinct privilege that I address you in this fashion. Many of you have become quite important to me personally and all of you have made a significant contribution to George Washington High School.

To the graduating class of 1980, I offer my highest congratulations, as you have met the standards set forth by the State of California, the Board of Education and your local school. But even further, you have fulfilled the expectations of those who care so much about you, your parents and your teachers. We have done all that was humanly possible to prepare you for what you are now about to undertake, and that preparation was done with infinite care and great attention to your welfare. It is now your responsibility to put to use those skills that you have acquired, in a manner that reflects positively on you as an individual, and Washington High as your alma mater.

You must go forth and prepare a better world. You must strive to conquer disease, ignorance, prejudice, cruelty, and all of the negative aspects of mankind's inhumanity to self. At the same time, you must actively seek truth, offer love, and care for those less fortunate. You must secure a world of Peace and Freedom no matter what the cost.

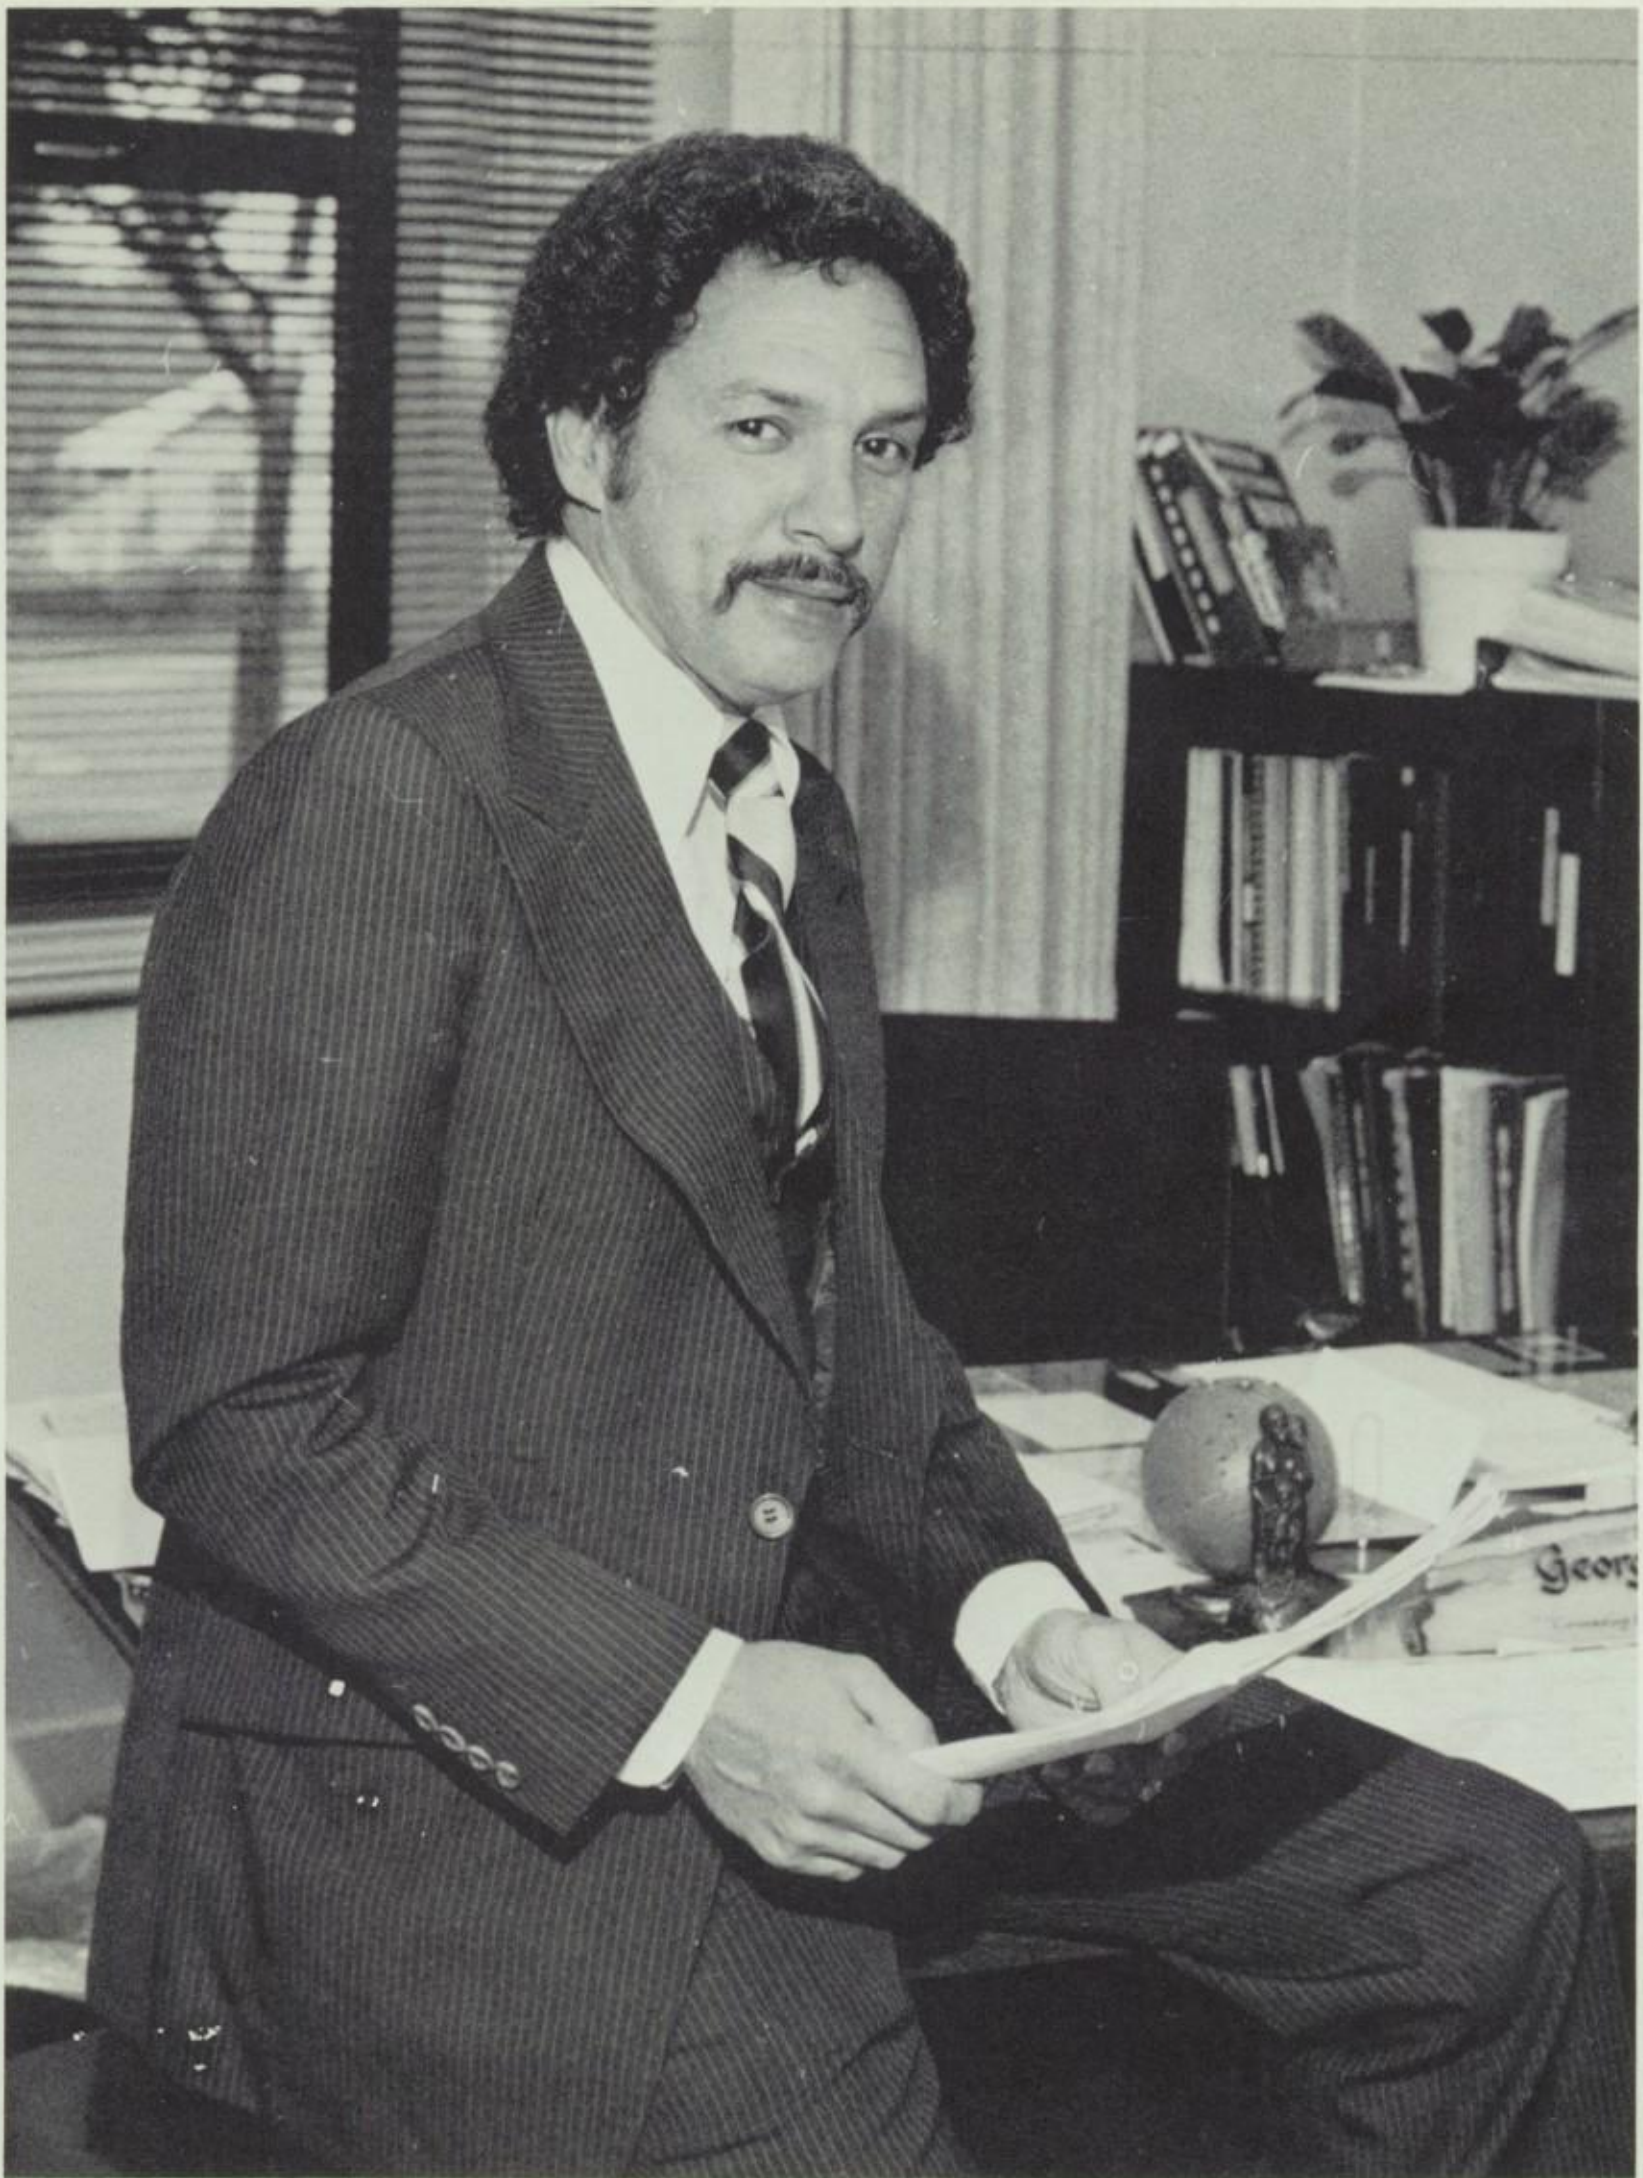

We are your Family, and though you leave us in a physical way, it is my hope that you never leave us in spirit and thought. This has been and always will be your home away from home and if you should ever have need of us, we will be here. Never forget your roots, and remember who you are and what you were destined to do. The Family will be watching.

To the classes of 1981 and 1982, I challenge you to pick up the torch and go forward. As the class of 1980 leaves its glow, so are you destined to carry the light further and increase its brightness each year so that our survival is guaranteed. You must not give up, but rather welcome the sacrifices that must be made, cherish the obstacles that cause you to stumble and thoroughly enjoy the sweetness of struggle. So has it always been, so shall it always be.

I wish you well.

Sincerely,

George J. McKenna, III

I am very pleased to be a member of the Washington Staff. I have served the district for eight years in various Administrative positions including Fremont High School and Bret Harre Junior High School. I have enjoyed Washington High School most of all. The students are friendly and they have tremendous spirit. I believe that good attendance is the biggest factor in Student success along with a positive attitude toward education.

Bettie J. Andrews

STRIVE FOR EXCELLENCE. As you face a new decade, the 80's there will be many hopes and dreams and many concerns about the opportunities to fulfill those hopes and dreams. As you reflect upon your future, recall the accomplishments made by many Washington High School "Generals" in the field of Business, Communications, Education, Athletics, Medicine, Law, Public Service and in the Arts. It is my hope that your reflection will serve to stimulate you to achieve, to press on and to be steadfast in your educational goals. **DREAM** because all things are possible if you have faith and believe that they are. The accomplishments that you make will help alleviate the obstacles you may face as you strive to fulfill your life's goals.

Counselors

The counselors of Washington High School have varied responsibilities. The assignments of the student counselors are divided alphabetically so that students have the same counselor from the time they enter until they graduate. These counselors help students with planning their programs and their majors. They also concern themselves with students' attendance and adjustment problems. In addition, the counseling staff has members who are responsible for the State and District mandated testing programs, who are responsible for advising the college bound and who handle the group counseling program.

Drivers' Education Instructor

Drivers' Education is an important aspect of the education in California school. Although it does not fall directly under any particular department in the school, it is a vital part of the education of students. Safety and learned responses on the streets and highways in a spread-out community like Los Angeles is a necessity. Public concern has included this program in General Secondary education because young adults must be conscious of the laws and the exigencies of vehicular control.

SENIORS

Senior Recognition Day, February 8, 1980

Friday, February 8, 1980, The Seniors "Nous Savions Maintenant il faut Diriger", (we have followed now let us lead), held their Recognition Day program. The Senior Poll awards were presented by Haywood Nelson, star of "What's Happening", Rodina Preston, gospel singer and sister of Billy Preston, and Hazel Spears, K DAY disc jockey. Mr. Ronald Turner wrote, "Will You Be in Line", to honor the memory of Coach Bobbie Brown and presented a plaque to Mrs. Brown.

The dynamic Class of 1980 began the fun filled year with an After Game Boogie on October 19th in the small gym. Many of the Senior parents supported us and made this first night dance in years successful. The Senior Prom was held on the Queen Mary the evening of May 30th, with the After Prom at the Mayflower Ballroom. Grad Night, June 12th, was celebrated at Disneyland.

Congratulations To The Class Of 1980

Ms. Lillian Evans
Coordinator of Classes
George Washington High School

CONGRATULATIONS TO THE CLASS OF 1980

We have entered a new decade and turned over a new leaf. As students, each of us has had our moments of pride, in academic achievement, or in gaining friendships. In our new decade of the 80's students will be able to enjoy new additions: A Luncheon Pavilion, a Family Room, and a cleaner and brighter school. We can enjoy new programs such as the Peer Counselors and the Student Interaction Program.

This book has been accomplished for all of us through the cooperative efforts of many people. The staff, sacrificing weekends, evenings and personal pleasure, has worked diligently all year. Ms. Butler, our advisor has helped in our efforts. Hank, Wayne, Marian, and Rose of Roberts Studio are responsible for the fine pictorial coverage. Hap Zavach, our representative from American Yearbook Company, has patiently been only a phone call away.

Therefore, as we look through this book in the years to come, may we feel our minds remembering in our new decade and the decades to come.
